Anonymous test:

do you know what is...?

1. What is: *a t-test?*

5. What a question?! Of course I know!

4. Yes, I know, because we learned it recently.

3. I think I know. I sort of know, but I am not really sure.

2. Shame on me! I should know it... But I don't.

1. Never heard of it.

2. What is: *ANOVA?*

5. What a question?! Of course I know!

4. Yes, I know, because we learned it recently.

3. I think I know. I sort of know, but I am not really sure.

2. Shame on me! I should know it... But I don't.

1. Never heard of it.

3. What is: *histogram*

5. What a question?! Of course I know!

4. Yes, I know, because we learned it recently.

3. I think I know. I sort of know, but I am not really sure.

2. Shame on me! I should know it... But I don't.

1. Never heard of it.

4. What is: *correlation*

5. What a question?! Of course I know!

4. Yes, I know, because we learned it recently.

3. I think I know. I sort of know, but I am not really sure.

2. Shame on me! I should know it... But I don't.

1. Never heard of it.

5. What is: *logistic regression?*

5. What a question?! Of course I know!

4. Yes, I know, because we learned it recently.

3. I think I know. I sort of know, but I am not really sure.

2. Shame on me! I should know it... But I don't.

1. Never heard of it.

6. What is: *Bayes' theorem*

5. What a question?! Of course I know!

4. Yes, I know, because we learned it recently.

3. I think I know. I sort of know, but I am not really sure.

2. Shame on me! I should know it... But I don't.

1. Never heard of it.

7. What is: *a non-parametric test?*

5. What a question?! Of course I know!

4. Yes, I know, because we learned it recently.

3. I think I know. I sort of know, but I am not really sure.

2. Shame on me! I should know it... But I don't.

1. Never heard of it.

8. What is: *sampling distribution?*

5. What a question?! Of course I know!

4. Yes, I know, because we learned it recently.

3. I think I know. I sort of know, but I am not really sure.

2. Shame on me! I should know it... But I don't.

1. Never heard of it.

9. What is: *error margin?*

5. What a question?! Of course I know!

4. Yes, I know, because we learned it recently.

3. I think I know. I sort of know, but I am not really sure.

2. Shame on me! I should know it... But I don't.

1. Never heard of it.

10. Could you calculate the standard deviation of the nine values on your sheet?
a. by hand;   b. using SPSS

5. What a question?! Of course I can!

4. Yes, I can, because we learned it recently.

3. I sort of know how to do it, but I am not really sure.

2. Shame on me! I should know it... But I don't.

1. Never heard of it.
